

MICRO 53

Call for Workshops and Tutorials

ATHENS
- GREECE -

The 53rd International Symposium on Microarchitecture
Athens, Greece, October 17-21, 2020
<http://www.microarch.org/micro53>

The International Symposium on Microarchitecture® (MICRO) is the premier forum for the presentation and discussion of new ideas in microarchitecture, compilers, hardware/software interfaces, and design of advanced computing and communication systems. The goal of MICRO is to bring together researchers in the fields of microarchitecture, compilers, and systems for technical exchange. The MICRO community has enjoyed having close interaction between academic researchers and industrial designers—we aim to continue and strengthen this longstanding tradition at the 53rd MICRO in Athens, Greece.

Important dates

Submission Deadline: **May 20, 2020**
Notification: **June 10, 2020**
Workshops/Tutorials days: **October 17-18, 2020**

We invite **proposals for workshops and tutorials** to be held on Saturday 17 and Sunday 18 October, 2020, before the main symposium days of 19-21 October, 2020.

Proposals should be one to two pages long and must include the following information:

- Title of the Workshop/Tutorial
- Organizers and their affiliations (including short bios)
- Expected duration of the workshop/tutorial, i.e., half day or full day
- If the workshop/tutorial was previously held, provide the location (i.e., which conference), date, number of published papers (if any), and number of attendees at the last event
- Provide a sample call for papers and workshop main topics (for a workshop proposal)
- Provide the abstract of the tutorial (for a tutorial proposal)

Proposals should highlight a plan for ensuring diversity in invited speakers, tutorial presenters, and organizing and selection committees (if applicable)

Submit workshop and tutorial proposals (1 to 2 pages) to: **wt.micro53@gmail.com**
